

2010 Ecological Farming Conference  
"Where the Future is Planted"

**EcoFarm 2010 Bus Tour Video**

See and hear the detailed information and production practices from the highly experienced organic farmers hosting this years Salinas Valley tour. This 90 minute professionally produced video will capture all the details of these great farms:

- 1) Israel Morales of American Farms grows a huge variety of cool weather vegetables on more than 4500 acres of organic crops in a wide area of the Valley. Israel is well known as a top quality farmer, innovator and creator of specialized farm equipment.
- 2) La Milpa Organic Farm, where Maria Luz Reyes and husband Florentino Collazo grow 5 ½ acres of mixed vegetables that they direct market.
- 3) Fresal Berry Farms where Jesus Alvarado discusses his 40 acres of organic strawberries.
- 4) Dan Lee of Morgan Winery grows 50 acres of organic Pinot Noir and Chardonnay grapes on the famous Santa Lucia Highlands, and creates award winning world class wines.

The video will be shot and produced by Brook Cantisano of BC Productions, and edited by Brook and Amigo Cantisano.
